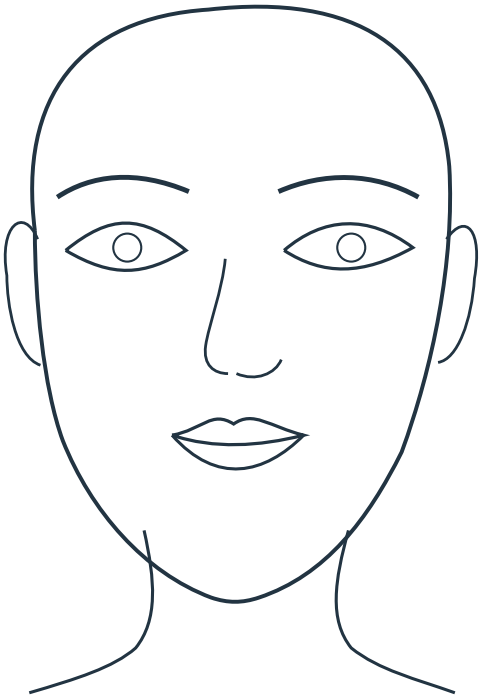
APERTURE / GAME DAY PAPER STUDIO

Game Day Color Lab

Invent a team palette. Use the same colors on a face chart and a football play.

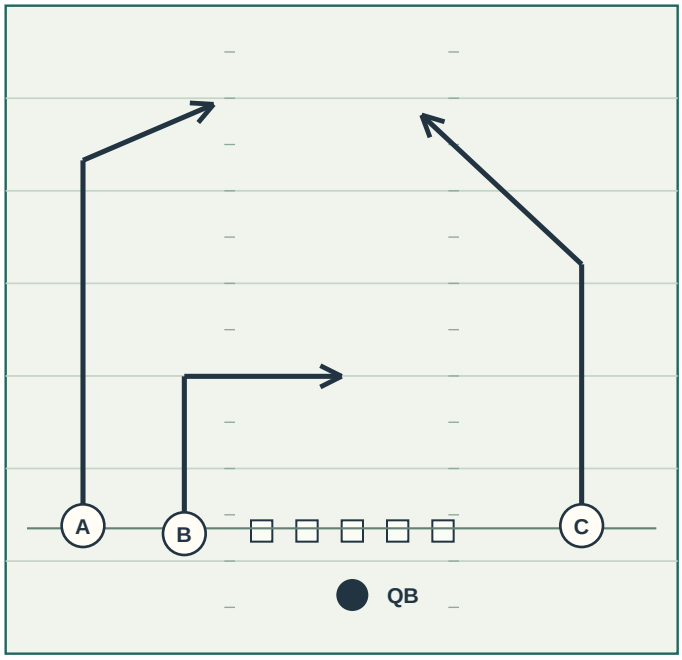
01 Face chart

Sketch your colors on paper.



02 Route board

Trace the three receiver routes in color.



CROSSWIND / original passing concept

03 Color key

Fill the swatches. Give each receiver one matching accent on the face chart.

A / Primary _____

B / Secondary _____

C / Accent _____

My team name _____

My signature detail _____

Original face chart and play design by APERTURE Studio.
